RESOLUTION OF THE BOARD OF TRUSTEES OF THE VILLAGE OF FREEPORT, NASSAU COUNTY, NEW YORK (THE "VILLAGE") AMENDING THE BOND RESOLUTION DATED MARCH 14, 2022 RELATING TO THE AUTHORIZATION OF SERIAL BONDS OF THE VILLAGE TO FINANCE THE PAYMENT OF CERTAIN TAX CERTIORARI JUDGMENTS, COMPRISED OF CLAIMS AND SETTLED CLAIMS RESULTING FROM COURT ORDERS

Recitals

WHEREAS, by a bond resolution dated March 14, 2022 (the "March 2022 Bond Resolution") the Board of Trustees of the Village (the "Board of Trustees") previously authorized the issuance of serial bonds and bond anticipation notes of the Village in the aggregate principal amount not to exceed \$850,000 to finance the estimated cost of the class of objects or purposes of satisfying certain judgments, compromised claims or settled claims resulting from court orders on proceedings brought pursuant to Article 7 of the Real Property Tax Law (the "Tax Certiorari Refund Payments") that were payable in the fiscal year ended February 28, 2023; and

WHEREAS, under the authority of the March 2022 Bond Resolution, the Village heretofore issued bond anticipation notes in the principal amount of \$700,000 (the "Prior Notes"); and

WHEREAS, the Board of Trustees now intends to amend the March 2022 Bond Resolution in order to (i) limit the Tax Certiorari Refund Payments to be financed by the bonds or bond anticipation notes authorized thereunder to the principal amount of the Prior Notes; (ii) reduce the estimated maximum cost set forth in the March 2022 Bond Resolution from \$850,000 to \$700,000 and amend the plan of finance as a result of such reduced maximum cost; and (iii) reduce the maximum amount of bonds and bond anticipation notes authorized thereunder to the principal amount of the Prior Notes heretofore issued (\$700,000);

NOW THEREFORE, THE BOARD OF TRUSTEES THE VILLAGE OF FREEPORT, NASSAU COUNTY, NEW YORK (THE "VILLAGE") HEREBY RESOLVES (by the affirmative vote of not less than a majority of the members of such body), TO AMEND THE BOND RESOLUTION DATED MARCH 14, 2022 AS FOLLOWS:

The Village is hereby authorized to finance the class of objects or purposes of paying amounts due with respect to the judgments, compromised claims or settled claims resulting from court orders on proceedings brought pursuant to Article 7 of the Real Property Tax Law that are payable in the fiscal year ended February 28, 2023. The estimated maximum cost of said class of objects or purposes, including preliminary costs and costs incidental thereto, including legal and professional fees, and the financing thereof, is \$700,000 and said amount is hereby appropriated therefor. The plan of financing includes the

issuance of \$700,000 serial bonds of the Village to finance a portion of said appropriation, and the levy and collection of taxes on all the taxable real property of the Village to pay the principal of said bonds and the interest thereon as the same shall become due and payable. No amount has previously been authorized by the Village to be applied to the payment of such class of objects or purposes.”

SECTION 2. Section 2 of the Bond Resolution is hereby amended to read as follows:

“SECTION 2. Serial bonds of the Village in the principal amount of \$700,000 are hereby authorized to be issued pursuant to the provisions of the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York (the “Law”) to finance said appropriation.”

**INCORPORATED VILLAGE OF FREEPORT
WATER DEPARTMENT
INTER-OFFICE CORRESPONDENCE**

To: Mayor Robert T. Kennedy

From: Robert R. Fisenne, P.E., Superintendent of Public Works

Date: April 21, 2023

RE: EMERGENCY SEWER MAIN REPAIR – NORTON STREET

On or around March 26th, 2023 the Village experienced a sewer backup on Norton Street west of the intersection of Hudson Avenue. The Sewer Department responded to the backup but was unable to clear the blockage as they were encountering sand and soil in the pipe indicating that the pipe was collapsed. Sewage was backing up in several houses on Norton Street and it was determined that there was likelihood for raw sewage to back up into the streets. This would be considered a health and safety issue for residents and therefore the need to make the repair was considered an emergency.

Bancker Construction Corporation, 171 Freeman Avenue, Islip, New York was called in on an emergency basis to make the repairs. Bancker Construction has been making the repair to the sewer main. The cost for the repair was \$155,092.25. This is based on a detailed accounting of their time spent on the work as well as for materials (see attached).

Partial funding for this repair is provided in the Sewer Department's Budget FYE 2024 (A812004-542800 – Service Contracts and Repairs - \$40,000.00). The outstanding balance will also be charged to A812004-542800 – (Service Contracts and Repairs) of which funds are not available and will have to be transferred from contingency.

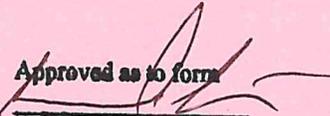

It is therefore requested that the Board of Trustees retroactively approve the emergency repair of the sewer main on Norton Street by Bancker Construction Corporation, 171 Freeman Avenue, Islip, New York for a partial cost of \$155,092.25.

It was moved by Trustee _____, seconded by Trustee _____, that the following resolution be adopted:

WHEREAS, on or around March 26th, 2023 the Village experienced a sewer backup on Norton Street west of the intersection of Hudson Avenue; and

WHEREAS, sewage was backing up in several houses on Norton Street and it was determined that there was likelihood for raw sewage to back up into the streets; and

WHEREAS, this would be considered a health and safety issue for residents and therefore, the need to make the repair was considered an emergency; and

WHEREAS, Bancker Construction Corporation, 171 Freeman Avenue, Islip, New York 11751, was called in on an emergency basis to make the repairs; and

NOW THEREFORE BE IT RESOLVED, that based upon the recommendation of the Superintendent of Public Works, the Board approve and the Mayor be and hereby is authorized to sign any paperwork necessary to retroactively approve the emergency repair with Bancker Construction Corporation, 171 Freeman Avenue, Islip, New York 11751, for the cost of \$155,092.25.

7:15 P.M. PUBLIC HEARINGS

To consider the request to open a taxi company in the Village of Freeport and further request the Village Clerk publish the notice in the Freeport Herald.

To amend Chapter 155 Article XIV entitled Post Deprivation Hearings – Vehicles Impounded for Unpaid Parking Tickets and Default Judgments by adding §155-107 and further request the Village Clerk publish the notice in the Freeport Herald.

March 20, 2023

My name is Anna Guzman, I am the owner of AEG Management Corporation. I am looking to take over the Taxi NY Brand (All American Taxi Corp) under my own entity.

Jennifer Lopez the owner of All American Tax Corp. Has advised ,me on the need for transportation in the Freeport area. I have done my research and see that the village of Freeport has a large amount of illegal cabs. This is an issue that I would like to help resolve. Gypsy cabs and Ubers in Long island do not carry proper licensing, medallions, background checks or proper insurance. As you know this proposes a HUGE safety and liability risk to the village and the community. I am writing to request 15 medallions to provide a safe, efficient and legal cab service. On top of this, it also provide revenue to the village of Freeport and providing jobs to the community in which these illegal drivers are not doing.

Below is the information of my vehicles as well as the information necessary to obtain the medallions:

1. Owner: Anna Guzman

1075 Frances Drive

Valley Stream , NY 11580

2. Base of Operation: 42 Guy Lombardo Avenue

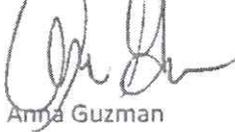

Freeport, NY 11520 Suite 207C

3. 10 vehicles which are all 2016 Toyota Camry's and 5 minivans.

4. Our color scheme for our vehicles are silver, black, white with yellow decals.

Thank you in advance for your time and consideration with my request.

Warm Regards,

Anna Guzman
